

PADDER DEPOSIT

Move in for less

Padder Deposit replaces the last month's rent deposit your lease requires and fulfils that obligation, so you keep more cash for your move.

1

Start your free application

Apply at padder.com. Enter your rental address and lease details to get your quote instantly. No documents or credit check required.

2

Secure your Padder Deposit policy

You receive a quote. Pay the one-time premium and complete checkout. Once complete, your Padder Deposit policy is active, so your landlord can confidently move forward with your lease.

3

Move in with less upfront

Padder Deposit lowers what you pay upfront, so more of your money stays in your pocket. You must still meet all lease obligations, including paying your final month's rent before move-out.

Move in without breaking the bank.

Get qualified. Secure your lease.
